HANGER FLYER CHARTER 2129 SQUADRON COMMANDERS MESSAGE FOR FEBRUARY 2004.

Well we started the first meeting of the year at O'Meara Ford and on hand to greet us were Brian O'Meara and his lovely lady Bonnie. Bonnie even led us up to the second floor where we have access to one of the finest conference and training rooms I have seen in a long time.

I was hoping we would have a better turn out for this meeting but I guess the snowfall kept many members away.

We had eleven in attendance and the meeting was very informative.

Les has all the details in his Secretaries report.

Dues are due for this current year. They are \$12.00 and all checks are to be made out to

**“Les Sullivan, Dawn Patrol”. His address is
6531 Teller Street, Arvada, CO. 80003.**

MEETING MINUTES 5 FEBRUARY 2004

**The meeting convened at 7:15 PM at O’Meara
Ford dealership on the second floor in their
conference room. This is a very nice facility.**

**Although the weather was snowy, eleven
people were in attendance. Those present were
Max McCartney, John Dalton, Phil Pillitteri, Hal
Johnson, Mauri Kaiser, Don Lorentzson, Dave
Teich, Joe Dolan, Les Sullivan, Mario Accardi,
and a visitor, Jim Dunn.**

**The secretary/treasurer’s report was read and
accepted. It was decided to discontinue our
practice of not having a meeting in December
and our annual dinner the following January.**

**Starting this year the dinner will be in
December and a regular meeting will be held in
January. Also this coming April, the regular
meeting will be held at Bobby Green’s place.
The date is Sat. 3 April, and convening time is
10:00 AM.**

**During “show and tell”, Phil Pillitteri displayed
a 50-year-old rudder only model called “Spirit”.
He waxed-on about the adventures associated
with old time transmitters and receivers. Joe**

Dolan showed some photos and pictures from the past during the 1970's and 80's. He was a pretty good-looking guy back then. John Dalton mentioned he was going to Estonia this coming June to watch the world championships for tether cars.

Don Lorentzson brought up the question of the AMA charter for chapter 90 and why we are not chartered? That took us by surprise, since the new leadership knew nothing about it. We promised to look into the matter this month.

Jim Dunn, our guest won the \$20.00 door prize.

The meeting adjourned at 8:20 PM.

Our secretary has contacted Jim Shaw And Jim says "Yes" we are supposed to be a charter organization of AMA. Jim has contacted AMA and the necessary papers are being forwarded to us. Our thanks go to Past President Don Lorentzson for bringing this vital question up. As soon as the papers arrive the secretary will send in the required money and we will once again be know as AMA charter number 2129.

Please check out our schedule of Flying Activities on for this year. These are just a few of the many flying activities that many local clubs are offering. I'm sure there are many more. Take your pick, go and fly. Remember every third Saturday of the month we are invited to fly at Mile Hi RC Club field, which is our home field.

**DAWN PATROL CHAPTER 90, IMAA.
