## **AMA CHARTER 2129 SQUADRON COMMANDERS MESSAGE FOR MARCH 2004.**

**When we started the meeting it was raining, when we adjourned there was an inch of snow on our vehicles. Despite the changing weather and a small turnout we had a very interesting meeting.**

**For those of you, that have not attended our meetings at O'Meara Ford you are missing out on a very first class facility. The architecture is outstanding. The statures, paintings and past history of the O'Meara family are very noteworthy and the conference room is really first class. It is also handicap accessible with an elevator to the second floor.**

**Our guest last month was Jim Dunn. He won the door prize of \$20.00. Jim came back this month and joined the club and guess what? He won another door prize of \$10.00. Two**

## Meeting Minutes

4 March 2004

The meeting convened at 7:05 PM in the conference room of the Omeara Ford Center. Only nine members were in attendance. They were Dave Teich, Les Sullivan, Jim Shaw, Phil Pillitteri, Don Lorentzson, Max Mc Cartney, Joe Dolan, John Dalton, and new member, Jim Dunn.

The Secretary/Treasurer report was read and accepted.

New Chapter 90 hats were on display. They will cost \$12.00 if any member wishes to purchase one.

All were reminded that the April meeting will not be at Omeara's. Instead, we will meet on Saturday, the 3<sup>rd</sup>, at 10:00 AM at Bobby Green's place. Dave Teich will forward maps showing how to get there.

Dave Teich will be out of town when the May meeting convenes. Jim Shaw will conduct the meeting in his stead.

Three members brought models to "Show and Tell". Dave Teich had his recently completed video camera equipped Kadet Senior. He claims it weighs a little over 6 pounds, but it's more than that. Jim Dunn showed an original design which was unique in appearance and seems to fly quite well. Joe Dolan showed a float equipped original design, called the "Lake Witch". He's been flying this design with either floats or wheels for years.

The drawings for two \$10.00 prizes were won by Jim Dunn (again) and Max Mc Carney.

The meeting was adjourned at 7:45 PM.
