AMA CHARTER 2129 SQUADRON COMMANDERS MESSAGE FOR MAY, 2005.

What a great meeting we had at Bobby Green's. For those of you that didn't make it you missed seeing three full size airplanes.

In the hanger, was Bob's Super Cub. Outside were parked a beautiful black bi-plane. I didn't get the name. Then next to it was a full scale J-3 Yellow Cub. Some of Bob's neighbors taxied their planes over to Bob's hanger just so we could view them. How is that for good neighbors?

Inside Bob had the coffee brewing and we all had plenty of fresh donuts.

Looking around Bob's home you could see he has been a very busy builder since last

year. He always amasses me in how he keeps all of the planes he is working on at one time separated?

There was a new Fokker I on his work bench and several new planes including a Tiger Moth "ARF" on another bench. Bob said that he bought the Tiger Moth because it was so beautiful. I'll have to agree with him on that.

Two of our members, Phil Pillitteri and Dick Snyder both brought a plane for show and tell. They were also very beautiful and showed a lot of expert workmanship.

Our Secretary has informed us that we are officially chartered with AMA for 2005. We now have 51 members. But he also said that TWENTY ONE (21) are in arrears with this years dues.

There are also four members that are not active with AMA. Remember that if you want to fly, you have to be an active member of AMA.

So please, pay your dues and make all of us happy.

MEETING MINUTES 2 APRIL 2005

This meeting was held at Bobby Green's house in Brighton, where he has lots of models in various stages of completion and three full scale models in flying condition on display. His hanger also housed a couple of full scale planes that were under construction. Membership turnout was quite good with sixteen people in attendance including Dave Teich, Mario Accardi, Dick Snyder, Dub Feth, John Evans, Mel MacKillip, Les Sullivan, John Dalton, Norm Vanderslice and grandson Gage, Phil Pillitteri, Larry Staughton, George Eide, Jim Redmonnd, Bill Robinson, and Wayne Perry and son Josh.

The formal meeting was short. It started at 11:00 AM. Dave thanked Bobby for opening his house to us. The Secretary/Treasurer's report was read and accepted. It was agreed that next year's meeting at Bobby's house will also have member's show-and-tell models on display along side full size planes. Dave agreed to touch base with Bud Turk to see if we can visit his museum in the near future.

There was no new or old business to discuss. Dick Snyder and Bill Robinson won the \$10.00 door prizes.

The meeting closed at 11:10 AM.

Several of the member's went to the Pepper Pod restaurant in Hudson for lunch after the meeting.

If you missed this meeting, SORRY.
