AMA CHARTER 2129 SQUADRON COMMANDERS MESSAGE FOR OCTOBER, 2005.

This will be my last letter to all members of the Colorado Dawn Patrol. The minutes of this last meeting tells it all. I want to personally thank all those loyal members who have been coming to our meetings for their support.

MEETING MINUTES

1 September 2005.

In what turned out to be the last formal meeting of IMAA Chapter 90, Colorado Dawn Patrol, convened at Brian O'Meara's Ford dealership at 7:03 PM. In attendance were Dave Teich, Jim Shaw, Les Sullivan, Mario Accardi, Phil Pillitteri, Bill Robinson, and Jerry Warrington.

The Secretary/Treasurer's report was read and accepted.

The discussion turned to the future of the club, and because of declining interest as shown by member attendance at the monthly meetings; it was unanimously decided to disband the organization as of December 31, 2005. To that end, Jim Shaw put forth the following two motions which were both approved.

- 1. There will be no club meetings in October and November. The club will meet for the final dinner meeting in December. The club will use money in the treasury to pay for all dinners.**
- 2. Financial assets left over from the dinner will be donated to the AMA Education Fund.**

The room and date for the dinner meeting at the White Fence Farm Restaurant has been finalized for 2

**December at 7:00 PM in the Herritage
room.**

**The Secretary/Treasurer will notify Don
Pemberton of IMAA and Lois Pierce of

Denver Modeling Council had its first

area clubs in attendance. They will have
an open house at Lowery on 14 January
2006; the next council meeting will meet
on the first weekend in February 2006,
when the Jeffco auction will be held.**

prize money in lottery fashion. The
following won \$5.00...Sullivan, Shaw,
Teich, Pillitteri, Accardi, and Robinson.
Jerry Warrington won the remaining
\$1.00.**

The meeting ended at 7:42 PM.
