

## MINUTES OF THE AUGUST 5<sup>TH</sup> MEETING

The meeting convened at 7:30 PM at the Plumbers Union Hall. In attendance were 13 regular members and a new member, Jerry Warrington. Those present along with Jerry were Dave Teich, Bill Robinson, Jim Redmond, Mario Accardi, Les Sullivan, Phil Pillitteri, Jim Shaw, Hal Johnson, Mike Wilson, John Dalton, Dub Feth, Mel MacKillip and Dan Reed. Jerry was introduced and he gave a brief resume of his modeling experience.

The Secretary/Treasurer report was read and accepted by those present. Mike Wilson told of the club's new web page, which may be accessed, on the internet by typing in [www.milehirc.com](http://www.milehirc.com) and then clicking onto Colorado Dawn Patrol. For those members with computers. The newsletter will be on our web page together with photos and other sundry items. Dave Teich waxed eloquently about members not paying their dues in a timely manner.

There was a report of a serious accident in Boulder involving an over-powered ARF when the engine/firewall broke loose causing damage to the owner's hand and arm. Be careful with ARF's.....

Make sure you know what's under the covering.

Dave Teich read the club's long over-due by-laws, prepared by Jim Shaw, to the members. With a minor correction those present with only one negative vote accepted the By-laws.

Jim Redmond and Jim Shaw each won a \$15.00 gift certificate

Redeemable at Action Hobbies.

The meeting was adjourned at 8:30 PM.

Further notes from the Secretary reveal that one member is behind in his dues and that the following members are due to renew in August. Dave Bailey and Jerry Davis.

By the time this report is published on the web site it will be time for the Big Bird Fly-in put on by the Love-air-RC Club on 15,16 & 17 August, 2003.. We hope to see a lot of you up there.

Till next time, happy flying

Next meeting is September 2<sup>nd</sup>, 7:00 PM, at the Plumber's Union Hall,

### SQUADRON COMMANDERS MESSAGE FOR SEPTEMBER 2003

I'll start off by saying that we were able to get inside our regular meeting place this month. I gave Phil back the key at the Dawn Patrol Fly-In and he was good enough to be on time and open the meeting hall. Thanks Phil. The annual Dawn Patrol Fly-In was a great success, even if it did conflict with the Mitchell Fly-In. We had nineteen Dawn Patrol members with 31 planes. The weather was very cooperative and everyone had a good time flying.

Wayne Alike won the Giant 1/4 scale kit. We also had Jim Shaw, Hal Johnson and Norm Vanderslice win awards. Good work guys.

This months meeting we accomplished two very important items. One; we now have an active Web Site, which you can find by going to the Mile Hi Web Site, and view the Monthly Newsletter. And Two: we formulated a set of By-laws for our club. The club By-laws will also be posted to our Web Site for reading.

For those of you that do not have computers you will continue to be mailed a copy of the newsletter and will also receive one copy of the clubs By-laws.

This new arrangement in keeping up with our modern day electronic age will assist the club in both saving money and getting out information to the members in a most expeditious manner. Lets face it guys a computer is going to be as handy as a cell phone for communications.

Don Lorentzson gave me this report on the members that attended the Mitchell Fly-in. Mitchell was hot as usual and we had one evening of hard rain. Otherwise, the flying was outstanding. As usual. Those that attended were; John and Peggy Evans, Larry and Rosalie Stoughton, Don and Jackie Lorentzson, dub Feth, Robert and Nancy Ferraro, Bob Murphey. Others from Colorado and Kansas were , Max, ( Don't know his last name) and his lady Barbara, Larry and Carolynn Mathis (Pueblo) , Bob and Aydrey Crofford ( Cannon City) , Gail and Carol Nash (Elkhart, KS). I hope I haven't forgotten to list everyone, but at my age...!!! There were coffee and donuts mornings and the ladies of Sugar Valley Giants Club had a nice concession stand for lunch and put on a great dinner on Saturday night. Great hospitality, as usual.

Wow , sounds like every one had a really good time. Thanks for the report Don. Wouldn't it be nice if Dawn Patrol could host a fly-in and put on the feedbag as well as this fine club?
